

## For Sale!

Insert a description of the item you wish to sell, with all relevant information. Send a PDF (or a Word or OpenOffice document) to the Cyclissimo webmaster. The item will then be posted on the relevant section of the club website, but bear in mind that the club will accept no responsibility of any kind for any items posted.

Items will be posted in the reverse order, i.e. the last item posted will make it to the top of the list. Please notify the webmaster immediately if your item is sold. Postings may be removed after some time.

Ensure that YOUR Contact details are noted. The webmaster or the club will not act as go-between.

Should the webmaster receive complaints about an item, the item may be removed from the For Sale List without further notice.
